## **DRINK**

We've got so many great options for your party this Christmas. There is an extensive range of old and new world wines, London gins and loads of beers in the fridge and on tap. We'll work with you to put together the right selection of drinks to complement the kind of night that works best for you so if you want a Christmas themed welcome drink or to re-name a special drink after your teams then just let us know.

## **EAT**

This Christmas we've made sure you've got all the options you need for your teams so whether you're looking for a standing party with finger food served on our sharing trays or a seated feasting meal served family style you can have it your way. All of our dishes are made from fresh, sustainable ingredients with seasonality and quality at the root of everything we do.

## **PEOPLE**

You can have a smaller Christmas party for groups of up to 100 with exclusive use of the first floor. You'll have your own bar and team to look after you and can have a seated meal for up to 80 people. Or if you're part of a bigger team then take the whole venue for groups of up to 230 people over both floors. We'll be staying open late for most of Christmas too.

### EXTRAS

We'll be happy to help with any extra bits for your party.

Our first floor space has a projector and separate PA and DJ facilities. We can help with security, flowers, balloons and decorations. Both floors have fully equipped bars and our great team will be on hand to help.

### COST

There is no hire fee to have your Christmas party at The Elgin. Instead we work on a minimum spend basis that varies depending on when you want to use us and how much of the building you need. You can book for lunch or evening slots starting from £500 - £9,000.
