## WEDDINGS AT THE ELGIN

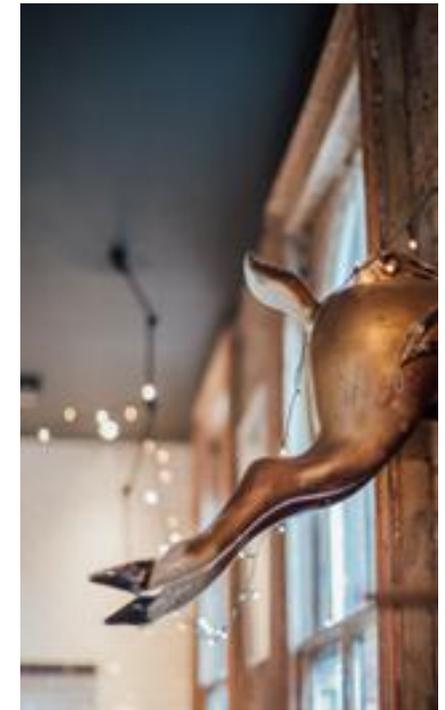

We've had lots of wonderful wedding receptions at The Elgin.

The first floor room is full of character but has plenty of scope for you to add your own personal touch.

We can offer bespoke seated meals, feasting options and finger foods on arrival. The kitchen can also send out late night bites to keep your guests satiated once the dancing begins.

Paddington grounds are close by and make a lovely backdrop to take photographs before you join us for your reception.

We're pretty flexible so if you have specific requirements or you want to bring in your own decorations and accessories then just let us know.
